- It may take 12 to 18 months for your wedding to be returned to you in High Definition, but that time frame is contingent on the equipment availability.
- If you decide after March 2007 that you would like your wedding edited in full screen or widescreen instead of HD, we will refund you the difference after adjusting the discounts.
- If you want your wedding in HD but do not want to wait that long to view your wedding video, you can receive two copies of your wedding in widescreen (prior to receiving your HD copies) for only \$150 additional.
